Delivery within	2-4 working days

Description

Natural Vitality by Adidas is a floral aquatic fragrance for women. Natural Vitality is a new fragrance and it was introduced in 2008. The nose behind this fragrance is Maurice Roucel of Symrise. It opens with an explosion of litchi, apple, orange and tomato aromas. The heart includes watermelon, which adds a fresh, fruity impression with osmanthus and lotus contributing to balance of natural floral aromas and femininity. The base notes incorporate sandalwood and musk.
