Description

La Rive POETIQUE Eau de Parfum is a stunning reflection of timeless elegance and femininity, now available at 1perfumery.co.uk. This exquisite fragrance resembles a magical bouquet of flowers, blending the sensuality of Turkish rose, the freshness of lily of the valley, and the delicate charm of peony. As soon as you apply it, you are transported into a world of floral luxury and fruity sweetness, creating an irresistible allure.

The beauty of La Rive POETIQUE lies in its balance of floral and fruity notes. The sweetness of the rose, immersed in rich lychee syrup, is perfectly contrasted by the tangy sharpness of rhubarb, making it a perfume with a truly multifaceted character. It leaves behind a delicate trail of French elegance, enveloping the wearer in an aura of sophistication that lingers long after the perfume has settled on the skin.

What is a Perfume Tester ?
Testers are the same original fragrances that you find in full size perfume bottles.
Testers may come in a variety sizes and forms of packing - some come with simple white or brown box with or without a cap and may be labeled "Demonstration" or "Tester"
the quality of the perfumes themselves are not affected at all and are the same as the one in retail fancy box .
All testers are sold unused, with the entire original quantity in the container.
