### Description

**Chanel Gabrielle** is a Floral fragrance for women.

The new bottle and packaging, which took five years to be made, are designed by Sylvie Legastelois, head of packaging and graphic design creation. She wanted it to be jewel-like yet simple and in line with the classic bottles of the house. The square bottle is colored in a soft golden shade that transmits the light, as a symbol of the sunny character of the fragrance.

Fragrance notes

Top notes: mandarin, grapefruit, black currant
