Chat Dor 5 - A Fragrance of Timeless Elegance for Women

Chat Dor 5 is not just a perfume; it's a celebration of timeless elegance and sophistication, crafted for women who exude confidence and charm. Inspired by one of the most iconic fragrances ever created, this eau de parfum captures the essence of luxury while remaining accessible to everyone.

The fragrance opens with a bright burst of aldehydes, creating an invigorating and luminous introduction that immediately captures attention. As it develops, the heart reveals a lush bouquet of exquisite florals—delicate jasmine, velvety rose, and the exotic richness of ylang-ylang. These floral notes blend harmoniously, evoking a sense of femininity and grace.

The base of Chat Dor 5 offers a warm and sensual embrace, with creamy sandalwood, soft vanilla, and a subtle hint of musk. This enduring foundation ensures the fragrance leaves a lasting impression, enveloping the wearer in a refined and captivating aura.
