### Description

#### Chatler Imagination Eden Apple – Juicy Red Apple and Berries

**Chatler Imagination Eden Apple** is a vibrant Eau de Parfum that captures the essence of a forbidden fruit. This fragrance opens with a sparkling blast of crisp red apple, lychee, and blackcurrant, leading to a sophisticated heart of wild berries and rose. It is a "juicy-floral" scent that settles into a warm, delicious base of vanilla sugar and musk. Eden Apple is designed for women who seek a premium, long-lasting freshness that feels both playful and elegant.
