## Description

**Chatler Olivera Blooming Woman** is a Chypre Fruity fragrance for women.

A combination of rose with a bit of pink pepper provides the initial captivating impression, only to later mix with notes of blackcurrant. The slightly tart scent later comes out fully, joined by delicious pear and contrasting with the gorgeous bouquet of floral notes. In the drydown, warm vanilla and velvety cashmere wood provide a sexy touch that lasts on your skin until the very end.

Top notes are Damask Rose and Pink Pepper  
middle notes are Pear, Black Currant and Sorbet  
base notes are Salt, Vanilla, Patchouli and Cashmeran.
