Description

Chatler Veronic Versailles – a Breath of Citrus Elegance

Chatler Veronic Versailles is a refined **alternative to Versense**, offering a refreshing composition inspired by the Mediterranean. This **perfume dupe** opens with bright citrus notes and evolves into a delicate floral and woody heart.

The fragrance is a perfect **inspiration** for confident, modern women. It comes as a 100 ml tester bottle, factory-filled to approximately 40-50% capacity – ideal for testing before purchasing a full-size perfume.
