What is a Perfume Tester ?

Testers are the same original fragrances that you find in full size perfume bottles.
Testers may come in a variety sizes and forms of packing - some come with simple white or brown box with or without a cap and may be labeled "Demonstration" or "Tester"
the quality of the perfumes themselves are not affected at all and are the same as the one in retail fancy box .
All testers are sold unused, with the entire original quantity in the container.
