The top note of bergamot provides a refreshing, citrus burst, setting the stage for the floral heart of rose, jasmine, and rose water. This harmonious blend of floral notes creates a captivating, elegant scent that is both soft and empowering. The base notes of vanilla, cedar, and patchouli lend the fragrance depth and warmth, making it linger on the skin for hours. Gordano Deluxe is perfect for women who want to express their self-confidence and femininity with a sophisticated, long-lasting scent. Whether for daily wear or special occasions, this fragrance offers an exquisite balance of freshness, floral allure, and sensual depth.
