Dorall Blue Agate - A Perfect Harmony of Freshness and Sophistication

Dorall Blue Agate is a fragrance crafted for individuals who radiate confidence, elegance, and individuality. This refined composition opens with a vibrant burst of citrus, blending the zest of bergamot and grapefruit with the sweetness of ripened figs. These top notes provide a refreshing introduction that is both energizing and uplifting.

At its heart lies a sophisticated bouquet of floral and aromatic notes. Violet leaves add a delicate touch of green, while the warmth of spicy black pepper infuses depth and intrigue. This balanced core captures both a modern edge and timeless charm, creating a captivating aroma that lingers beautifully.

The base of the fragrance is where its true character shines. Warm musky accords entwine with earthy patchouli, while the subtle sweetness of styrax resin and creamy white woods form a foundation of lasting elegance and sensuality. This layered and harmonious base ensures the fragrance remains alluring and unforgettable throughout the day and into the evening.
