## Description

**Dorall Damsel Exquisite** is a Floral Woody Musk fragrance for women.

Citrus oils, cassis bud and pink pepper start the composition brightly; Elegant is toned-down by the heart of mimosa which provides softness and femininity together with violet and lily of the valley.

Vetiver in the base creates a warm sensuality and an edgy signature that is complemented by notes of vanilla and heliotrope.

### Fragrance notes

- Top Notes: citrus, pink pepper and cassia
