Description

Dorall DC One Gold Unisex is a Woody fragrance for women and men.

The energetic top notes consist of the unusual combination of fresh bergamot, juicy figs and slightly bitter sage. The heart of the composition is dominated by playful violet accords complemented by jasmine and tantalising neroli. The warm sensual conclusion will captivate you with guaiac wood and the essences of patchouli and woody vetiver.

Top notes are Fig, Bergamot and Sage; middle notes are Neroli, Jasmine and Violet; base notes are Vetiver, Guaiac Wood and Patchouli.
