Description

Dorall Dream & Cherish Heavenly is a Chypre Floral fragrance for women.

The composition is inspired by old vintage scents of the 20s, made with a twist of modernity. The strong and distinctive character of the fragrance provided by rose, patchouli and moss is modified with contemporary accords of passionflower. It opens with fresh and exotic notes of bergamot and passionflower. Roses and orchid are placed in the heart, followed by the base of patchouli, moss, leather and amber.

What is a Perfume Tester ?

Testers are the same original fragrances that you find in full size perfume bottles.

Testers may come in a variety sizes and forms of packing - some come with simple white or brown box with or without a cap and may be labeled "Demonstration" or "Tester"

the quality of the perfumes themselves are not affected at all and are the same as the one in retail fancy box .

All testers are sold unused, with the entire original quantity in the container.
