Dorall Queen Night - A Sophisticated Floral Elegance

Dorall Queen Night is the epitome of modern femininity, blending elegance, sensuality, and a timeless charm. This fragrance is crafted for women who desire a signature scent that complements their poise and confidence, making it ideal for both daily wear and special occasions.

The fragrance opens with a fresh, fruity burst of juicy peach, offering a delicate sweetness that is both inviting and refined. At its heart lies a floral bouquet of jasmine and violet, evoking a sense of softness and grace that lingers beautifully. These floral notes provide an uplifting and enchanting allure, perfect for a woman who radiates charm and sophistication.

The base is grounded by warm sandalwood and soft musk, creating a lasting impression that exudes warmth and sensuality. These deeper notes balance the composition, ensuring the fragrance remains captivating from the first spritz to the final lingering trail.

Dorall Queen Night is more than a scent; it's an experience that encapsulates the beauty and strength of modern women. Its versatility makes it a go-to fragrance for any setting, whether you're at the office, enjoying a casual outing, or attending an evening soirée.
