Description

Experience the captivating essence of UNFORGIVEN - Gypsy Sage Paris Bleu, a unisex Eau de Parfum that embodies the spirit of freedom and bohemian elegance. Inspired by the timeless allure of Jo Malone's Wood Sage & Sea Salt, this fragrance takes you on an olfactory journey through lush forests and along the breezy coastline.

GYPSY SAGE unfolds with a vibrant and aromatic blend, beginning with the invigorating notes of bergamot and orange, combined with a unique mineral accord that adds a touch of sophistication. As the fragrance develops, the heart reveals a harmonious bouquet of orange blossom, clary sage, and violet leaf, evoking a sense of walking through a serene forest blanketed with violets.

The true magic of GYPSY SAGE lies in its base notes, where the warmth of cashmere and the earthy depth of patchouli are enlivened by the fresh, salty sea breeze. This perfect balance of woody and marine elements creates a contemporary and uncompromising scent that is both irresistibly charming and subtly powerful.

Designed for those who embrace their sensitive masculinity and carefree femininity, UNFORGIVEN - Gypsy Sage Paris Bleu is more than just a fragrance; it's an invitation to express your true self. Let the aromatic notes of sage, lifted by the sea breeze, carry you to a place where you can be unapologetically you.

Indulge in the luxurious and modern scent of GYPSY SAGE, and make a statement that is as unique as you are. Available exclusively at 1perfumery.co.uk.
