Description

Impulse La Pantera is a Musk fragrance for women.

With the scent of the momentum around La Pantera special unmistakable scent.

Boost La Pantera conceals a secret of unfettered seduction. Let yourself be pampered every day, delicate fragrance and sensuality.

And because women are different and complex, each variant deodorants Boost underlines your style. For women, the mysterious (impulse Magic Magic Moschus), romantic (Incognito) or for women of unbridled (La Pantera).

Ann Gotlieb famous designer perfumes created the impulse, the first product listed within the concept of perfume deodorant was in 1972, the elegant and seductive tones of Orange, jasmine, rosewood, vanilla and musk. The impetus was produced by Fabergé, which belonged to the Anglo-Dutch company Unilever. The brand began in 1972 in South Africa, and in 1979 in the UK.
