Description

Masculine elegance meets freedom – the opening brings distinctive pink pepper and juniper, accompanied by subtle violet, introducing an aura of freshness and unconventionality. The heart of the fragrance blossoms with the rich sweetness of toffee and cinnamon, enveloped by lavender and sage – a combination that embraces the senses and personality. The base is formed by soft vanilla, amber, deep tonka bean, and luxurious suede – together creating an incredibly sensual, decisive, and masculine finish. Your Freedom is a fragrance for a man who values authenticity, self-confidence, and the courage to be himself.
