Available at [1perfumery.co.uk](http://www.1perfumery.co.uk), this luxurious set features a 100ml Eau de Parfum spray and a 100ml shower gel, both infused with the signature scent of Madame Isabelle, designed to uplift and enchant the senses.

The fragrance opens with a burst of citrusy notes from bergamot and orange, creating an energizing start that instantly refreshes. As the fragrance evolves, the heart reveals a bouquet of delicate rose and jasmine, adding a romantic, floral touch that is both timeless and sophisticated. The base notes of patchouli, moss, and sandalwood add warmth and depth, ensuring the scent lingers long after application, making it ideal for both day and night wear.

This set is not only a treat for the senses but also a complete fragrance experience that transforms your daily routine into a luxurious ritual. The Eau de Parfum provides an alluring scent that lasts, while the shower gel gently cleanses the skin, leaving it soft, smooth, and subtly fragranced. Whether you're looking to pamper yourself or searching for the perfect gift, the Madame Isabelle set offers an irresistible combination of quality and beauty.
