Description

La Rive Saffira Eau de Parfum is a fragrance that embodies French elegance and the magic of a blooming floral bouquet. Imagine walking through a lush garden, where the air is filled with the enchanting scent of Turkish rose, lily of the valley, and peony – this is the sensory journey La Rive Saffira offers.

The perfume opens with the delicate, romantic touch of Turkish rose, giving it an undeniable aura of sophistication. The lily of the valley adds a refreshing note, while the peony enhances the overall floral sweetness. Together, these flowers create a harmonious blend that is both soft and feminine.

But the beauty of La Rive Saffira doesn't stop there. It also carries a subtle fruity undertone that makes the fragrance unique and captivating. The sweetness of the rose is beautifully balanced with lychee syrup, while the sour rhubarb provides a zesty contrast, adding depth and complexity to the scent.

This fragrance is designed for women who are multifaceted – sensual, elegant, and bold. Whether you're wearing it during the day or for an evening out, La Rive Saffira will leave a lasting impression, exuding class and refinement. The combination of floral and fruity notes makes it versatile yet distinct, perfect for any occasion.
