**LOU DE PRE Dark Cedrus** is an eau de parfum crafted for the modern gentleman who seeks boldness with sophistication. This powerful fragrance captures the essence of masculine elegance, making it the ideal *Creed Aventus perfume replacement* for men who want a signature scent that commands presence, without compromise.

#### Fresh and Fruity Opening

The fragrance begins with an invigorating burst of pineapple, blackcurrant, and Italian bergamot. These top notes deliver an energising introduction that is bright, juicy, and effortlessly confident. It’s the kind of freshness that instantly turns heads, setting the tone for a lasting impression.

#### Refined Heart of Woods and Florals

At its heart, Dark Cedrus reveals a harmonious blend of jasmine, patchouli, and birch. This middle layer adds a smoky, woody richness that balances the fruity top with depth and distinction. The result is a scent that evolves gracefully, revealing its layers with time and temperature.

#### Lasting Power with a Sensual Base

Anchoring the fragrance is a bold base of oakmoss, musk, and warm ambergris. This enduring foundation ensures longevity and leaves a magnetic trail wherever you go. It’s sensual, grounded, and assertive — perfect for work, evening events, or everyday confidence.
