LOU DE PRE Midnight Desert – A Bold Reflection of Modern Masculinity

Midnight Desert by LOU DE PRE is a refined *eau de parfum for men* that captures the spirit of confidence, independence, and magnetic charm. This fragrance is the ideal choice for men who walk their own path — ambitious, daring, and unapologetically authentic.

Freshness That Awakens the Senses

The fragrance opens with an electrifying burst of **crisp apple, sharp ginger, and juicy bergamot**, setting the stage for a composition that feels both invigorating and elegant. These top notes create a fresh and dynamic impression — perfect for both daily wear and special moments.

An Aromatic Heart with Character

At the heart of Midnight Desert lies a fusion of **sage, juniper berries, and geranium**. This herbal blend brings aromatic intensity and a clean, masculine sophistication. It's the kind of scent that leaves a trail without being overpowering — confident yet understated.

Deep, Sensual, and Long-Lasting

As it settles, the base notes unfold with a warm and mysterious embrace of **amberwood, incense, and tonka bean**. This woody and slightly smoky foundation adds depth and sensuality, giving the fragrance its signature strength and longevity.
