Description

Luxure Femininity is a fruity, woody fragrance for women.

The main motif of this composition is a fig note as a symbol of femininity. The fragrance celebrates the loving, all-encompassing sensuality of women through a daring and intense contrast of notes. The sweetness and juiciness of fresh figs meets the woody elegance of fig leaf and wood. An unexpected caviar accord gives the whole composition a uniquely piquant character.

Composition

Fig Leaves, Fig, Fig Tree, Sea Notes
