### Description

#### **Nano Silver Sanitizer - Antibacterial Disinfectant Spray**

Biocidal spray for sanitizing hands, body, bandages, dressings, face masks, air filters and flat surfaces.  
Professional disinfection - kills 99.9% of viruses and bacteria

Active ingredient - alkohol 700g/kg with non-ionic colloidal silver 0,01g/kg.

After alcohol evaporation, billions of silver particles remain on each square centimeter of disinfected surface, creating an antimicrobial coating - better efficiency and long-lasting effect. The effect of an invisible glove. This product provides longer protection than a regular preparation based only on alcohol.

Don't use if you are allergic to silver.  
Made in EU.
