### Description

**Paris Bleu Adage** is a Chypre Floral fragrance for women.

Adage is an elixir of grace and seduction, an elegant fragrance, sensual, mysterious and voluptuous.

The fragrance opens up with a zesty Grapefruit wrapped around an Osmanthus and a velvety Peach Blossom.

Adage then leads into a floral bouquet of Royal Rose, Lily of Valley and a gourmand Iris.

The dry-down notes, ever intense, feature a beautiful blend of sensual Musk, warm Vetiver and White Patchouli.
