Description

Prada Paradoxe is a Amber Floral fragrance for women.

The new Paradoxe by *Prada Persona Eau de Parfum* is a floral fragrance for a *woman* impossible to frame.

The opening reveals Calabrian bergamot, neroli and Ambrofix™, which is saturated with amber notes, giving the fragrance its signature warmth. Sweet tangerine, orange blossom and benzoin then take over, followed by the base notes, which linger on the skin for hours on end. They include delicious pear, jasmine, gourmand Madagascar vanilla and Serenolide™, a revolutionary musk molecule.

- Top Notes: Pear, Tangerine, Calabrian Bergamot
- Heart Notes: Neroli, Orange Blossom, jasmine sambac absolute
- Base Notes: Bourbon Vanilla, White Musk, Amber and Benzoin

What does Paradox Prada smell like?

What Does Prada Paradoxe Smell Like? From the very first spritz, the Prada Paradoxe fragrance sparkles out of the bottle. **Juicy pear and tangerine essence add a fruity flare to the top notes, completed by the zest of bergamot to balance the sweet creamy neroli**
