Description

Energy Black: A symphony of strength and sophistication

Imagine the power and untamed spirit of a bull, bottled into an exhilarating fragrance. Energy Black is a captivating scent that embodies both masculine strength and captivating elegance.

The journey begins with a burst of citrusy freshness. Sparkling lemon invigorates the senses, while warm ginger and a touch of cardamom add intriguing spice. As the fragrance unfolds, a heart of delicate white flowers, dominated by the subtle sweetness of orange blossom, emerges. This unexpected twist adds a touch of refinement without sacrificing the masculine core. The base reveals the full depth of Energy Black. Earthy vetiver and rich amber create a warm, sensual foundation, perfectly anchored by the sophisticated touch of leather.

More than just a fragrance, Energy Black is a statement. Its bold aroma lingers on the skin, leaving a lasting impression of power and grace.

The perfect gift:

Energy Black comes housed in a unique, bull-shaped bottle, making it a truly exceptional gift for the man in your life. It's a fragrance for those who embrace their strength and confidence, leaving a lasting impression wherever they go.
