### Description

#### Sensation 094 Water Dio 36ml – Mint and Lemon Freshness

**Sensation 094 Water Dio** is a luminous Eau de Parfum that captures the essence of sophisticated femininity. This fragrance opens with a sparkling blast of Primofiore lemon and crushed mint leaves, leading to a sophisticated heart of water jasmine and peony. It is a pure, "aquatic-floral" scent that settles into a soft base of cedarwood and brown sugar. Water Dio is designed for women who seek a premium, long-lasting freshness in a travel-friendly size.
