### Description

**Sensation 132 Black Crystal** is a Oriental Floral fragrance for women.

The fruity-oriental character of the perfume offers a magical experience for its wearer and those around her. First, light, airy tones of the top note complement each other with juicy orange. Then comes the warming heart of intoxicating passion flower and magical peony. This beautifully sensual composition develops an interplay of woody accords. The noble ambergris with velvety sandalwood and a drop of musk bring a warming feeling.
