Description

Sensation 048 - inspiration *Hugo Boss Orange Woman is a Floral fragrance for women.

Top notes describe strong personality of a woman, her enthusiasm and energy. Notes of sweet apple reveal the first, delicate taste of feminine passions, adding a floral, soft and charming heart. White flowers, which are tame and gentle, are mixed with orange blossom, giving an optimistic impression. A base includes sandalwood, olive wood and creamy vanilla, which make the finish very characteristic, passionate and warm.
