### Description

Tobacco Club Paris Bleu Eau de Parfum is a fragrance that captures a poignant, suspended moment, embodying the spirit of English clubs with their dimly lit ambiance, leather armchairs, and the mysterious aroma of Cuban cigars. This fragrance plays skillfully between shadow and light, thriving on the dissonance between the bold freshness of bergamot and the unique bite of clary sage at the top. As the scent develops, the noble floral note of Osmanthus emerges, set against a deep backdrop of tobacco and vanilla. Finally, a muffled veil of cocoa and vetiver anchors the fragrance's dense and mysterious facets to the skin. Discover this captivating scent at 1perfumery.co.uk and let it become your signature fragrance.
