Description

Armani My Way is a Floral Woody fragrance for women.

To the horizon and beyond – Armani My Way Eau de Parfum for women invites you to discover the world and meet new people. If you're the type of person who can never resist the opportunity to broaden their horizons, this perfume will become your guide and its elegant sophisticated scent will accompany you on all your journeys.

This fragrance combines ingredients from all over the world. The first thing you'll notice will be citrusy bergamot from Calabria along with Egyptian orange blossom. They're followed by an intoxicating aroma of white flowers, namely deep and enchanting jasmine and tuberose sourced from India. Sensuous drydown then brings a wave of warm cedar wood, white musk and vanilla from Madagascar.

Even before Armani My Way draws you in with its scent, you'll be captivated by the flacon it comes in. The blue colour of the cap symbolises the Earth, which we all share, with a ring around it as a symbol of your unique path. Its shine reflects all the people you meet on the journey who will make your days brighter.
