Description

What is the perfume alternative to Ombre Nomade?

Chatler Amber Noir is a luxurious unisex fragrance and serves as an **alternative to Ombre Nomade**. It combines oriental spices with rich oud and amber, creating a deep, sensual aroma.

How does Chatler Amber Noir smell?

The top notes feature saffron and raspberry, giving a fruity and exotic opening. The heart reveals oud and incense, while the base blends amber, leather, and woody notes. The result is an elegant, long-lasting oriental fragrance.

What makes this alternative different from the original?

While inspired by the original luxury scent, **Chatler Amber Noir** is more affordable without losing intensity. Its longevity reaches up to 8-9 hours, making it perfect for evenings or special occasions.

Who is this fragrance for?

Ideal for both men and women who appreciate oriental and woody scents. Perfect for evenings, formal events, or whenever you want to leave a lasting impression.
