Description

Cuba Prestige is a Oriental Woody fragrance for men.

Elegant and masculine woody note of patchouli and Atlas cedar develops after the metal accord of mint and lavender. At the end, the intensive woody composition turns into an explosive energy of coffee and stirax in the warm musk and Tonka surrounding.

This floral fragrance has a blend of black currant, bergamot, lemon, grapefruit, lavender, jasmine, rosemary, cardamom, oakmoss, vetiver, cedar, amber, and labdanum. Brief content visible, double tap to read full content. Full content visible, double tap to read brief content.

What Are Perfume Dupes? Perfume dupes are similar-smelling bottles of fragrance with budget friendly price tags.

The best perfume dupes offer the same (or very similar) array of top, heart, and base notes but are sold under less expensive brands.

A good perfume dupe will also offer similar longevity to the original.

What is a Perfume Tester ?

Testers are the same original fragrances that you find in full size perfume bottles.

Testers may come in a variety sizes and forms of packing - some come with simple white or brown box with or without a cap and may be labeled "Demonstration" or "Tester"

the quality of the perfumes themselves are not affected at all and are the same as the one in retail fancy box .

All testers are sold unused, with the entire original quantity in the container.
