Dorall Hot Damsel - An Irresistible Blend of Sophistication and Sensuality

Dorall Hot Damsel is a fragrance that exudes confidence, charm, and a touch of mystery. With its captivating blend of floral and oriental notes, it's the perfect choice for women who want to make an unforgettable impression. This elegant scent opens with a vibrant burst of blood orange, an energizing and fruity note that immediately draws attention.

As the fragrance unfolds, the heart reveals a harmonious bouquet of golden honey, lush gardenia, delicate jasmine, and soft peach. These luscious notes intertwine to create a rich and luxurious middle layer that is both feminine and indulgent. The scent then transitions into a deep, warm base of patchouli and creamy caramel, delivering a long-lasting and sensual finish that lingers beautifully on the skin.
