Dorall Offender Azure opens with a burst of freshness, thanks to its top notes of Pink Pepper. This lively introduction awakens the senses and sets the stage for an olfactory journey like no other. As the fragrance evolves, a heart of Geranium emerges, adding a touch of floral sophistication to the composition. This harmonious blend of notes creates a captivating aroma that is both refreshing and alluring.

In the base, the scent takes on a deeper, more sensual character. Truffle Accord provides a rich and earthy backdrop, while smoky Oakwood adds a hint of intrigue. Vetiver and Cedarwood infuse the fragrance with a masculine edge, leaving a lasting impression that is as unforgettable as it is irresistible.

Dorall Offender Azure is more than just a fragrance - it's a statement of confidence and sophistication. Whether worn during the day or for an evening out, this captivating scent is sure to turn heads and leave a lasting impression.
