Description

Dorall Red Bloom is a Floral Fruity fragrance for women.

Summer is for fun, enjoying life, and taking in the fresh air as you go. Riding a bicycle in the French countryside, you stop on the way to pick some cherries and share them with loved ones. The sweet cherry taste brings to mind the pleasurable, breathtaking, and out-of-this-world feeling of falling in love, and that special summer when it came about.

Is a real treat for those lovers of sour cherry aroma that stimulates the imagination.
