Description

Jean Marc Bossa Nova Feme is a Floral Fruity fragrance for women.

The perfume is casual, sparkling and joyful, with a *luminous fruity* opening composed of tangerine and black currant with a touch of freesia

Projected by the **fruity top notes of tangerine and blackcurrant**, the fragrance is grounded in a creamy, musk-like base. This works with the white floral trio of stephanotis, rose and oriental lily to leave behind just a subtle, warm aura of the scent.

Top notes are Freesia, Tangerine and Black Currant

middle notes are Bulgarian Rose, Lily and Jasmine

base notes are Lemon Tree, Apricot and Amber.
