Description

JFenzi Businessman CITY About the olfactory notes: on top, the fresh and aromatic notes of Sage blend with absolute wild Daffodil flower, harvested in the heart of France. A unique floral expression that contrasts with the dark and intense facets of a Vetiver quartet from Haiti, Uruguay and Madagascar. The essences of Cedarwood and Sandalwood melt with an addictive and sensual Vanilla leaving a memorable trail behind.

Woody Floral Aromatic

- Head notes: Essence of sage France, Essence of cardamome Guatemala
- Heart notes: Absolute of Daffodil France, Essence of vetiver Haïti, Essence of vetiver Uruguay, Organic essence of vetiver Madagascar
- Base notes: Organic essence of cedarwood Himalaya, Organic essence of santalwood Australia, Absolute of Tasuki vanilla Madagascar
