Description

Fenzi Gossi Platinum is a Floral Woody Musk fragrance for women.

The fragrance opens with the luxury and exuberance of a vintage champagne. A burst of effervescent bergamot fused with feminine and celebratory orange blossom conveys the heady excitement of the red carpet entrance.

At the scent's core nestle the brilliant white flowers of an intense bouquet, laced with a magnetically sensual modern musk. The timeless allure of the leading lady, the perfect balance of sensuality and power, inspires a collective captured breath. The fragrance's warm and indulgent foundation rests in a beguiling cocktail of subtly smoky leather and creamy balsamic woods that epitomises absolute glamour.

Fragrance notes:

- Top notes: bergamot, orange blossom
