Description

Fenzi Insanity Women is a Floral fragrance for women.

This fragrance is a romantic, floral scent that breathes with the subtle aroma of a spring garden.

The composition opens with fresh citrus and green notes, that is followed by the note of violet and lily-of-the-valley. The note of carnation with its spiciness gives the floral heart slightly peppery accord. The final notes are gentle with powdery heliotrope, pink sandalwood and transparent musky notes.
