Description

Linn Young Flirty Edition Printemps is a Floral fragrance for Women.

A young, charming Parisian girl, who is nonchalant, elegant and cheerful, sees the world around her in a positive way, as a place where nothing bad can happen, as if it were composed of pastel nuances. Her charisma, charm and grace show her as a symbol of youth, freshness and spontaneity

Top notes will refresh you with aromas of bitter orange, which are delicate, fruity, bitter-sweet and delicately spicy. A heart is ruled by gardenia, a vibrant, opulent, white flower, while a base incorporates white musk, leaving a cotton-powdery effect and a long lasting feeling of cleanliness and freshness on your skin in a very soft and gentle way.
