Description

Lomani Code Men Eau de Toilette is a masterpiece for the modern man who values elegance and charm. The fragrance opens with a burst of fresh bergamot, adding a lively and invigorating start. Aromatic sage and delicate iris take center stage in the heart, creating a balanced and refined aroma. Finally, the deep, sensual essence of tonka bean provides a warm, enduring base that leaves a remarkable impression.

This fragrance is designed to suit every occasion, from daily wear to formal events. It captures the essence of sophistication and confidence, making it the perfect addition to your collection.
