Description

Loris Chocolate & Orange, Diffuseur stick - a smell for a house 120 ml
Home And Office Fragrance

Fill your home with the beautiful scent of Orange Chocolate Chillies - A truly decadent scent where the vibrant tang of juicy Brazilian orange is fused with heart - warming cocoa enhanced by an unexpected touch of chilli and crystallised ginger.

Loris air freshener in the form of sticks will provide long-lasting freshness in your surroundings. Smelling sticks are not only a air freshener, but also a decorative element. Thanks to modern form, it fits into the interior design.

The sensual smell was closed in an exclusive bottle. It emits a wonderful aroma thanks to the use of fragrance sticks.

An elegant cardboard box with black sticks is a great gift for even the most elegant room.

Fragrance oil was highly too perfumed with an intense and long-term scent. Depending on the humidity of air and temperatures, it stays from 3-6 weeks.

How to use:

Open the Loris perfume packaging. Pull the casing placed in the nut. Remove the bottle from the packaging. Remove the plastic nut, pull it out. Turn the chic black cover to the bottle. Place bamboo sticks in a flakon. Reversing sticks upside down every two days provides better distribution of the aroma. You can reduce the number of sticks to customize the intensity of the fragrance.
