Description

Positioned as an oasis of tranquility and serenity, 1perfumery.co.uk invites you to embark on a sensory journey with their exquisite Loris Exotic Blend Home Reed Diffuser. Crafted to transport you to a realm of pure relaxation, this 120 ml diffuser promises an unparalleled olfactory experience. At the heart of this enchanting creation are Loris bamboo-scented sticks, delicately infused with the essence of the exotic.

Embrace the harmonious blend of exotic flowers and fruits that permeate the air, delicately balancing to create an atmosphere of serene bliss. The "Exotic Mix" fragrance embodies a symphony of scents, meticulously curated to evoke a sense of peace and tranquility in your surroundings. Each breath is a voyage to distant lands, where the allure of the unknown mingles with the familiar comforts of home.

As the fragrance gently fills the space, it becomes more than just a scent—it becomes a sanctuary for the senses. Let yourself be enveloped in the soothing aroma, as it whispers tales of distant shores and tranquil landscapes. Whether you seek a moment of respite from the chaos of everyday life or simply wish to elevate your surroundings, the Loris Exotic Blend Home Reed Diffuser is the epitome of indulgence and relaxation. Discover the art of harmonious living and transform your space into a haven of tranquility with 1perfumery.co.uk.

Loris air freshener in the form of sticks will provide long-lasting freshness in your surroundings. Smelling sticks are not only a air freshener, but also a decorative element. Thanks to modern form, it fits into the interior design. The sensual smell was closed in an exclusive bottle. It emits a wonderful aroma thanks to the use of fragrance sticks. An elegant cardboard box with black sticks is a great gift for even the most elegant room. Fragrance oil was highly too perfumed with an intense and long-term scent. Depending on the humidity of air and temperatures, it stays from 3-6 weeks.

How to use:

Open the Loris perfume packaging. Pull the casing placed in the nut. Remove the bottle from the packaging. Remove the plastic nut, pull it out. Turn the chic black cover to the bottle. Place bamboo sticks in a flakon. Reversing sticks upside down every two days provides better distribution of the aroma. You can reduce the number of sticks to customize the intensity of the fragrance.
