Description

Luxure First Kiss is a fruity, floral fragrance for women.

First Kiss Parfum for women will transform any moment into an unforgettable experience. Simply spray it on your skin and enjoy the unexpected, completely enchanting combination of tenderness and exceptional intensity. Be yourself, dare to provoke, explore the magic of the city and become the queen of the night.

The composition opens with refreshing, juicy notes of pear and tangerine. They're later replaced by sweet, floral scent of jasmine and orange blossom with a spicy pinch of warm cinnamon. In the drydown, a combination of intense coffee accords, four captivating vanilla notes and woody patchouli settles on your skin and creates a completely unforgettable olfactory experience.

What Are Perfume Dupes? Perfume dupes are similar-smelling bottles of fragrance with budget friendly price tags.

The best perfume dupes offer the same (or very similar) array of top, heart, and base notes but are sold under less expensive brands.

A good perfume dupe will also offer similar longevity to the original.
