**Luxure My Entire World for Men 100 ml** is a fresh, aromatic men's fragrance with a classic and elegant character. Previously available as **Luxure Entirety Men**, the fragrance now comes under the new name My Entire World for Men.

The composition combines bright citrus notes with aromatic lavender, green herbs and a warm woody base. It is a versatile choice for men who enjoy clean, timeless fragrances that work well for both everyday wear and more formal occasions.

### How does Luxure My Entire World for Men smell?

The fragrance opens with an energetic blend of **mandarin, bergamot and lemon**. Lavender adds a distinctive aromatic touch, giving the opening a clean and traditionally masculine feel.

As the fragrance develops, the heart becomes greener and more complex. Coriander, basil, sage and juniper berries combine with jasmine, geranium, lily, lily of the valley and orange blossom. These notes add depth and elegance while maintaining the fresh character of the scent.

The dry-down is warmer and smoother. **Sandalwood and vetiver** create a refined woody foundation, while amber and musk soften the composition. Brazilian rosewood completes the base with an elegant woody nuance.
