Description

Dorall Manipulare Eau de Toilette is a fragrance that captures the essence of masculinity and elegance. It opens with invigorating notes of sage combined with the fresh zest of mandarin, creating an immediate sense of energy and vitality. As the fragrance develops, the heart reveals the warm, sweet aroma of roasted tonka beans, which blends seamlessly with harmonic caramel, adding a touch of sophistication and allure. The base of vetiver provides a deep, woody foundation that lingers on the skin, making the fragrance both enduring and captivating. This oriental fragrance with spicy accents is perfect for the modern man who seeks to stand out with a unique and compelling scent.
