Description

Sensation 183 S! Passion is a Floral Fruity fragrance for women.

Passion opens with notes of spicy pink pepper, like a burst of adrenaline. After initially drawing attention, sparkling and radiant pear brightens the iconic juicy blackcurrant to add boldness. A floral heart beats passionately with rose and feminine jasmine to create a powerful scent, like a seemingly fragile woman who shows incredible strength when guided by passion. The addition of heliotrope makes this perfume addictive and acts as an invitation to self-indulgence and pleasure. The warm and sensual vanilla and cedarwood dry down mirrors the self-assurance that a swipe of red lipstick can instantly give the wearer.

Should you wear perfume every day?

If you use a particular scent regularly, use it sparingly. Because your own sense of smell quickly gets used to the scent and perceives it less strongly, explains Huber. Too much of a fragrance can smell pungent and unpleasant to other people.

How long do similar perfumes last?

These Sensation fragrances are inspired by the well-known brands. The Sensation fragrances last an average of 5 to 6 hours and only cost €5-10 for 100ml.

Dupes Fragrance is an affordable option for perfume lovers who want to enjoy their favorite scent at a lower price.
